SAFETY EYEWEAR PROGRAM

Eligible Participants may obtain one pair of prescription Safety Eyeglasses each calendar year through the "IndustrialEyes" Safety Eyewear Program.

Charges for lens add-ons, such as UV coating, tints, polarization, anti-reflective coating and photochromatic lenses are not included. The cost for these add-ons would be paid by you.

To obtain this benefit:

- ✔ **Contact NEBA by email at nawhealth@secure.neba-fl.com or by phone at 888-352-0629 to obtain a signed Safety Eyewear Authorization Form.**
- ✔ **Visit any LensCrafters, Target Optical or participating Pearle Vision location in the United States and present your vision prescription* and the signed authorization form to obtain your Safety Eyewear. Contact NEBA if you need assistance in finding a location.**

**Note the eye exam for Safety Eyeglasses is not included. You must bring in your own prescription or visit the independent Doctor of Optometry at the chosen location.*
